

11 GUARANTEED WAYS TO KILL MOTIVATION

- 1 . Tell the employee EXACTLY how to do the job.
2. Stress busy-ness rather than results.
3. Manipulate employees rather than treating them as adults.
4. Care only about yourself and your concerns.
5. Don't listen to employee's ideas, concerns, or suggestions.
6. Dwell on weaknesses and failures.
7. Never tell an employee what they're doing right.
8. Don't get them involved.
9. Don't give any awards.
10. Never provide opportunities for growth or challenge.
11. Either expect second best or absolute perfection.
