NATIONAL OMBUDSMAN REPORTING SYSTEM (NORS) TRAINING PART IV
Ombudsman Program Activities Quiz on Codes S-51 through S-68

REMINDER: Throughout these training materials “Ombudsman” is used as a generic term that may mean the state Ombudsman, a representative of the Office, or the Ombudsman program. Use the NORS tables developed by the Administration for Community Living/Administration on Aging (ACL/AoA) with these training materials when indicated (Table 1: NORS Case and complaint codes, values and definitions; Table 2: NORS Complaint codes and definitions; and Table 3: State Program Information, OMB Control Number 0985-0005). The NORS codes and definitions used in these materials are taken from the ACL tables 1-3 and are not to be modified.

Refer to NORS, Table 3 State Program Information, Part H, as a reference for the definitions of terms, the codes and values, and examples and reporting tips, to answer the quiz questions. This Quiz covers sections S-51 through S-68. Some of the answers in the quiz will be easy and obvious to code when entering data into your software system. They are included in the quiz to introduce some of the reporting data elements that are being collected in this version of NORS.

Training for staff of nursing facilities and residential care communities: Codes S-51 and S-52

1. You conduct an in-service training at a nursing facility in your area. To make the training available to all staff, you present the training at two different times during the day.

   Who’s the audience? _________   How many sessions? _________

2. You conduct a training for staff in a residential care community. Another residential care community requests the same training program and you conduct the session for that community.

   Who’s the audience? _________   How many sessions? _________

3. Your local Ombudsman program developed a web-based, on-demand training on residents’ rights for facility staff that tracks information about each person who completes the course. When you review the information report on the course, you see that some of the training was viewed by 100 people. By the end of the year, 50 people completed the entire course. More than half of the individuals who completed the course were nursing facility staff.

   Who’s the audience? _________   How many sessions? _________

1 ACL Table 3: State Program Information Part H
4. Your local Ombudsman program creates an abuse reporting training and offers it as a web-based training on the program’s website. No registration is required. You can see a report of the number of times the abuse reporting training page is viewed but no other user data is available.

Who’s the audience? ________ How many sessions? ________

Information and Assistance: Codes S-53 through S-55

5. Mrs. Petro emails the Ombudsman program asking for information regarding a nursing home care plan conference for her husband. You respond and attach information about how to prepare for a care plan conference. A couple of days later, Mrs. Petro emails you with another request asking how to learn what the current care plan says and how to get the home to include her ideas in a new plan. You respond with detailed answers to Mrs. Petro’s questions and include links to specific resources.

    How many information and assistance instances? ________ Facility type: ________

6. Kathy Perez, the social worker at Peaceful Acres Assisted Living, calls you asking for a residents’ rights poster and tips on how to keep residents informed of their rights. You share a few tips over the phone. That day, you mail the poster to the facility address. Later, you remember a resource list of ideas related to keeping residents informed of their rights and you send that resource to Kathy.

    How many information and assistance instances? ________
    Facility type: ________

Ombudsman visits: nursing facilities and residential care communities: Codes S-57 and S-58, S-60 and S-61

Assume that all visits in each scenario are to the same facility. Document all visits to facilities by the type of facility: nursing home or residential care community. The visits may be associated with additional activities that are also documented as NORS codes such as complaint investigation, information and assistance, resident council participation, or family council participation. This section of the quiz focuses on how to report the number of facility visits and whether the visit was complaint related.

7. You make one visit to a facility in response to three complaints.

    How many visits? ________ Complaint related? ________

8. You make one visit to a facility to visit residents to provide them with access to the Ombudsman program.

    How many visits? ________ Complaint related? ________
9. You visit a facility to follow-up on a complaint. While you are there, you visit other residents and observe interactions between residents and staff that are not related to the complaint.

   How many visits? _______  Complaint related? _______

10. You visit a facility because you know there is a new administrator and the facility is due for a routine visit. You speak with several residents and some staff members. While speaking with a resident she shares a complaint and asks for your assistance in addressing it with staff.

   How many visits? _______  Complaint related? _______

11. You and another Ombudsman visit a facility together after a family member asks you to help resolve a problem with her mother’s care.

   How many visits? _______  Complaint related? _______

12. You visit a facility to work on a complaint. Later that day, someone calls with a different complaint on the same facility. Another Ombudsman takes that complaint and makes a visit in the afternoon.

   How many visits? _______  Complaint related? _______

13. You stop at a facility and drop off residents’ rights posters and brochures. You visit with several residents, including the Resident Council President, and she invites you to attend the Resident Council meeting that afternoon. Although you cannot attend the meeting, another Ombudsman goes to the meeting.

   How many visits? _______  Complaint related? _______

Participation in facility survey, resident council, family council: Codes S-62 through S-67

14. You share pre-survey information with the assisted living surveyors and participate in the exit conference.

   How many survey activities? _______  Facility type: _______

15. You participate in the exit conference for a survey at a nursing facility and several weeks later, you participate in the informal dispute resolution regarding the same facility.

   How many survey activities? _______  Facility type: _______

16. The president of the resident council at Happy Acres Nursing Home asks you to join their meeting. Afterwards, the president asks you to provide training to their council leadership. You do that a week later.
How many resident council activities? _____ Facility type: __________

17. A family council is beginning to develop at a residential care community (RCC). One of the members invites you to their meeting as a resource and you attend. The next week, the newly elected president asks you to share resources to help the council’s effectiveness. You send the president some information. Later that month, another RCC family council asks you to speak at their meeting and you do.

How many family council activities? ______ Facility type: _______

Community education sessions: Code S-68

18. You spend the morning staffing a booth during a health fair providing information about the Ombudsman program to 150 people. In the afternoon, you make a presentation on long-term care facilities and residents’ rights at a senior center. Fifty people attended.

How many community education activities? __________

19. You finish an article on the Ombudsman program for the Area Agency on Aging’s (AAA) newsletter, post a few photos of the recent Ombudsman recognition ceremony on the Ombudsman program’s Facebook account and tweet about it, and attend a caregivers’ meeting to share information about the Ombudsman program. The AAA newsletter has a circulation of 1,000 addresses. You know it will take a few days to determine the reach of your social media posts.

How many community education activities? __________

20. The Ombudsman program has a web-based training program for consumers that tracks information about each person who completes the course throughout the year. When you review the information on attendees, there are 65 people who viewed part of the course and 30 who completed the entire course, including the quiz.

How many community education activities? ______

This project was supported, in part, by grant number 90OMRC0001-01-00, from the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking projects under government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinions do not, therefore, necessarily represent official Administration for Community Living policy.
