

Resident Check Ins

Date

Facility

Resident

Are your meals the correct temperatures

Are they cleaning your room as often

Are they changing linens as often

How are baths being given

If they give baths or showers, do they disinfect between residents

Does there appear to have the same or less staffing now

Are you aware of any staff who are now out sick

Do you know if staff stay at work their entire shift or do they leave on break

Can you get assistance contacting people through webinar or screentime if you need it

Is there a lot of temporary staff in the building

Are staff members wearing masks

Is Hospice still coming into the facility
