

## NORC Website Treasure Hunt

Doing an online treasure hunt is a fun way to learn about the NORC website.

The rules are simple. There are ten questions. Find them all at once, or one a week. Challenge your co-workers and volunteers! The prize is learning to quickly find resources and information you need to better advocate for residents.

**Need help, click [here](#) for the answers.**

1. Go between the NORC and Consumer Voice websites with one click. Extra point: which website has a blue banner?
2. In what year did the Administration on Aging (AoA) request proposals to establish the National Center for State Long-Term Care Ombudsman Resources?
3. What year was the "Identifying, Preventing, and Responding to Bullying in Long-Term Care Facilities" webinar held?
4. What is a frequently asked question regarding systems advocacy?
5. Who is the State Ombudsman in Nebraska?
6. Name a NORC resource related to LGBT Elders.
7. How many sections are in the Volunteer Long-Term Care Ombudsman Program Representative Toolkit?
8. How many Closed Cases (in all types of facilities) were there in 2016?
9. Where can you find a list of every page within the NORC website?
10. What is the name of the third module in the NORC Curriculum?

**Good luck Treasure Hunters!**
